Creative Digital Media Practice BTEC Level 3 National Extended Certificate & Diploma

Location	Altrincham Campus
Duration	One-year, Full-time
Full/Part time	Full-time
Department	Creative Media

Course Overview

If you are planning to diversify into any aspect of the TV or Film industry you will want to complete our National Extended Diploma. Aimed at those who have already successfully completed our National Foundation Diploma, you will spend time further developing your specialist skills ready for entry to industry or further training. With ex-students now working across TV, Film, Radio and Digital media, this course gives you a professional understanding of the ever changing industry.

Course Requirements

BTEC Level 3 National Foundation Diploma in Creative Digital Media Production (Film, Television and Radio Pathway).

Course Skills & Benefits

This course gives you industry-based transferable skills that are the most asked for by employers. You will focus on practical projects to give you direct experience of the practices and protocols used in the industry, and you will learn the theory behind the skills too. Each project helps you understand an important area of the industry. TV and Film studies helps you become ready for work with the main abilities needed for areas of media, film photography and sound.

Mandatory Units

Working in the Creative and Media Industry
Digital Media Skills
Specialist Subject Investigation

Optional Units

Options may include:

Film Production - Fiction
Radio Production - Fiction
