## Photography SLR Intermediate

Location	Altrincham Campus
Duration	One evening a week for 11 weeks
Full/Part time	Part-time
Department	Art & Design

## Course Overview

During this 11 week course you will develop your Photography skills further using Digital SLR cameras. For example, work on lighting and composition could be applied to more specialist pathways such as Landscape and People photography. The aim of the course is for the learner to feel more confident in using their equipment and more knowledgeable about what can be achieved with it. Cost: £150

## Course Requirements

No formal qualifications are needed but some knowledge of the functions of a DSLR or having undertaken our Basic SLR Photography course will be useful.

## Course Skills & Benefits

You must own your own DSLR camera in order to enrol on this course.

## Course Progression

UAL Level 2 Award in Photography

## Course Assessment

This is a practical course and there is no formal assessment. However you will be asked to complete a RARPA confidence survey.

This will happen at the start and end of the course and will record your progress in this subject.
