Christmas Flowers, Introductory course

Location	Altrincham Campus
Duration	One evening a week for 6 weeks
Full/Part time	Part-time
Department	Art & Design

Course Overview

The aims of the course are

- To introduce floristry with the specific focus to displays that can be used over the holiday period
- To encourage safe and efficient working practices.

Topics will include

- Care and conditioning of flowers
- Principles and elements of design
- Constructing a range of designs in floral foam
- Basic techniques for wiring and taping flowers and foliage

Course Requirements

No formal qualifications

Course Skills & Benefits

For the first week of the course the flowers will be provided. For the next 5 weeks after that you will need to buy your own flowers. Your tutor will let you know each week what you need to bring. Sundries such as foam, wire and tape may be purchased from the college.

if you have a sharp pair of scissors please bring these along with you to class.

Course Progression

Other Intro floristry courses are available

Course Assessment

This is an essentially practical course with no formal assessment. Learners will receive constructive verbal feedback each week and will be encouraged to keep a photographic record of their work.
