

About Us

This is an exciting time in Stockport College's 126 year history. We have merged with Trafford College and have a new state of the art Stockport campus planned by 2020. The two colleges also operate the Manchester Airport Academy with exciting developments taking place with the Airport expansion plans and Airport City and we work with some of the biggest names across all sectors (Amazon, Microsoft, Fujitsu, NHS, Class of 92 (UA92)) to name a few.

Why CIPS?

We offer five qualifications; that take up to one year to complete, to support your professional development in procurement and supply. On successful completion of the Diploma, Advanced and Professional diplomas in conjunction with three years experience in a role of responsibility in procurement and supply, you may apply for full membership of CIPS to use the designatory letters, MCIPS.
