International Director

Permanent Opportunity

Competitive Salary, Flexible Working, International Travel & Bonus Incentive Scheme

An ability to move from creating strategy to seamless execution?

Globally networked?

Ambition for growth?

If this sounds like you, this role could be the perfect opportunity.

An opportunity has arisen for an International Director to lead and grow our international presence and network.

This is an exciting time to join the Group as our reputation as a merged college has been recognised by Ofsted and we are continuing to expand our horizons.

The International Director will create and deliver the Group's international strategy focusing on establishing an overseas delivery model. You will have the opportunity to identify and define potential markets; and work with the leadership team to create new programmes to meet their needs. Your work will result in our students benefiting from working and collaborating with students' from diverse cultures and economies and will also enrich and grow the population of students that we provide qualifications to.

To apply for this role please send your CV to human.resources@tcg.ac.uk

The Group promotes the welfare of all learners and expects all staff/volunteers to share this commitment. Successful candidates will be required to complete an Enhanced DBS Check via the Disclosure and Barring Service.

The closing date for applications is 1st September 2019
